

De Sede Terrazza DS 1025 in black Leather by Ubald Klug

1972 for De Sede, Switzerland

details

4 sophisticated, strong design sofa elements form the perfect basis for implementing your own interior design and furnishing concepts.

The single element is like a terraced hill with widths and depths that vary in tapering steps.

The elements 'left' and 'right' constitute a welcoming two-seater sofa, a seating pyramid or a small range of upholstered hills. By adding all elements, it is possible to create entire seating groups to match your ideas and requirements.
