A unique design.

Created by remarkable people. The Sunball was designed in 1968 by Günter Ferdinand Ris and Herbert Selldorf on behalf of Philipp Rosenthal.

An exclusive edition is now being reissued.

Experience a true classic made in Germany and manufactured in premium quality.

Each Sunball is manufactured individually and with lots of passion for detail.

The turned stainless steel clamping lever and milled hinge covers are examples for the devotion and the almost artistic version of the components.
