

Sunball Rosenthal - Chair by Selldorf & Ris

1969 by Rosenthal, Germany

details

Exclusive design piece for outdoor or indoor use by Rosenthal.

The "sun lounge chair" is an extremely rare and iconic piece of design history. The top slides down to shut and the shell can be rotated 360 degrees. The condition is good related to its age, all mechanisms are working.

The footrest is still covered by its original fabric, designed by Otto Piene! The inside cushions are completely new, redone in Silvertex outdoor fabric.

Exposed at the design elysees 2013 in Paris, France.
