Pastoe, Netherlands - 1955

details

Minimalist sideboard designed by Cees Braakman for Pastoe, the Netherlands, 1958.

This highly collectable CU-04 sideboard / highboard is regarded as a true icon of Dutch Midcentury design. The sideboard has an outstanding clean geometrical design with a minimal black lacquered metal base, beautiful teak wood and black rectangular handles.

The teak wood veneer has a beautiful and warm patina. On the top you find storage compartments with shelves behind the double-folding doors - on the bottom four bentwood drawers (the interior of the drawers is just wonderful, see photos)
