

Giovanni Offredi "Paracarro" Coffee Table for Saporiti

Saporiti, Italy 1972

details

Iconic coffee table designed by Giovanni Offredi in 1970 for Saporiti Italia.

Simple and pure - a concrete base in which very elegant chrome-plated steel crossbars are embedded and fixed - on top a crystal glass top of 130cm Ø.

The glass plate is a whopping 20mm thick and intergrates itself through its reflections in any environment and thus becomes directly and indirectly part of your interior....
