

## Minimalistic Marble Coffee Table

1965 - Denmark

### details

Very understated and minimalist low-table from the 60s coming from denmark. 2 materials - chrome-plated steel and marble, the tabletop is framed by the heights of the steel frame and is otherwise simply laid on top.

The plate as such measures 166.5cm and is 33.5cm wide, the table is 166.5cm long, overall 40cm wide and 24.5cm high.

It's absolute simplicity is entirely in the style of poul kjærholm. Overall a very nice vintage condition, the frame is a little tarnished in places in the chrome, see photos.
