details

Important Mobile by an unknown french artist, provenance: Island of Ré, Atlantic coast, France.

From private collection, this kinetic sculpture was acquired in 1978. Height approx. 4.5 meters, spatial spread approx. 6.5 meters, steel.

this impressive and contemplative work of art adorned a collector's private park on the beautiful Island of Ré in the Atlantic ocean for years. Made entirely of steel, the pendulums begin to swing in even the slightest summer breeze.

We've included a short video here, so it's best to get an impression of the sensation for yourself. The sheer height and spatial S...
