

Solid Teak Desk - Kidney Shape, Danish Modern

Silkeborg Mobelfabrik, Denmark ca. 1970

details

Desk in solid teak, made in the 1970s by CFC Silkeborg in Denmark.
Kidney-shaped table top. Very nice condition with normal signs of use. The drawers and the foot can be mounted either on the left or on the right, thus suitable for right-handers and left-handers....
The details of the workmanship are fine and strongly reminiscent of Charlotte Perriand designs due to the freeform top.
A wonderful piece, which also unfolds its effect freely in the room, ideal small home office!
