

## rare Lounge Chair - by Luigi Colani

ca. 1968, Germany

### details

we offer here 2 extremely rare fiberglass lounge chairs by Luigi Colani.

ca. 1968, probably made for Heinz Essmann, Germany. The chairs were repainted by our lacquer master company in the original shiny green on top, the underside is untreated and matt dark...

Both pieces come from a private collection.

The seat curves organically between the 3 raised legs of the seat sculpture, very harmonious to look at and also very comfortable to sit!
