

Togo Sofa - Michel Ducaroy for Ligne Roset

1974, manufactured in France

details

This Togo living landscape sofa was designed by Michel Ducaroy in 1974.
Made by Ligne Roset about 1990 in France, stunning beautiful original condition in soft black leather.Completely original, not an "old core with new cover" !
Since the individual sofa elements are very easy to handle, it is great fun to rearrange the sofa and try out new constellations in the room. It can also be positioned freely in large rooms, as the back also makes a beautiful sight.
Matching set - first owner 1990s.No damage or reparations, only normal, small traces of use. Still 100% original : leather, foam, bottom...
