1969 by De Sede Design Team

details

De Sede DS-80 Patchwork Daybed with armrest.

The daybed has a black lacquered wooden slatted frame, the backrest and armrest of which can be freely positioned and attached. The armrest can be attached on the left or right.

The Patchwork series was developed in 1969, when de Sede used high-quality leather sections to produce these soft and very pleasant to the touch cushions. The leather is really incredibly soft...

The cushions can be freely varied, take a look at our photos to get an impression!
